THE ALUM BAKING POWDERS. Names of Some of the Principal Brands

Sold in This Vicinity. The recent discussion in the papers of the effect upon the human system of food made with alum baking powders and the opinions that have been pub lished from noted scientists to the effect that such powders render the food unwholesome, have caused numerous inquiries for the names of the various alum powders.

The following list of baking powders containing alum is made up from the reports of State Chemist Nicholson of Nebraska, the City Chemist of St. Louis, the Food Commission of Minneota, or other reliable authority:

Important War Move. One of the most important naval moves has been the distribution of the 13 little "tinclads" among the big vessels of the fleet on various stations. Through these small craft, there is an effective blocade of the whole of Luzon,

and some boats have been sent to Mindanao, Negros, Cebu and Palawan. Most of the smuggling of arms, am-munition and food since the arrival of munition and food since the arrival of the American squdron has been done in small schooners, known as "bankers," which can run through the island channels where the fleet could not follow them. The "tinclad" patrol boats have been doing business with these skimmers of the sea recently; one patrol boat rounding 13 "bankers," in a single trie. It is thought in a short time Aguitrip.
